Mission Statement: The Lewiston Orchards Irrigation District (LOID) is a dual water purveyor committed to its fundamental objective of providing reliable water service for domestic and irrigation uses. It is the intent of the LOID to provide untreated irrigation water to all patrons within the irrigation district during the irrigation season at adequate pressure in an efficient manner and at a reasonable cost. It is also the intent of the LOID to provide quality and safe domestic water service for drinking at a reasonable cost to the residents of the District and its domestic annexations. The LOID is committed to the long-term reliability of systems. For information regarding LOID please visit our website at www.loid.net.
