

# **NOW HIRING – JOIN THE LOID TEAM**

## **Water Distribution System Laborer (Full-Time)**

The Lewiston Orchards Irrigation District (LOID) is seeking a motivated and dependable individual to join our operations crew.

### **Job description:**

This full-time, year-round position plays a vital role in maintaining and improving the water infrastructure that serves the Lewiston Orchards community. The selected candidate will assist with the operation, maintenance, and repair domestic and irrigation systems. Work is mainly outdoors as part of a utility crew.

LOID offers competitive pay, excellent benefits, and long-term career stability as a public entity. This is an opportunity to build a rewarding career while serving your local community.

### **Preferred Qualifications:**

- General utility maintenance, underground construction or outdoor work experience
- Experience operating construction equipment
- Experience with concrete, asphalt, traffic control, or pipeline work is a plus
- Level 1 Idaho Water Certification preferred (or willingness to obtain)
- Class A CDL preferred but not required
- Strong work ethic and willingness to learn

### **Requirements:**

- Valid Idaho driver's license
- Pass background check and drug screening
- Ability to be insured under LOID's liability coverage
- High school diploma or equivalent

### **Why Work for LOID?**

We offer an outstanding benefits package including:

- Medical & Dental Insurance
- Pension Retirement Plan
- Life Insurance
- Short-Term Disability
- Paid Holidays
- Vacation & Sick Leave

 **Apply today. Email your resume and completed LOID application to: [barneymetz@loid.net](mailto:barneymetz@loid.net)**
